## New Tape Innovation

### No Dispenser, No Knife, No Scissors

- **Serrated edge for easy tearing**
- Ultra-clear, non-yellowing roll
- 3.2 mil thick with an aggressive adhesive
- Good in hot or cold weather, inside or out
- **No dispenser, no knife, no scissors**
- Patching, repairing, recouping, closing boxes
- Sealing tarps, hanging signs, MRO applications
- Craft projects and office uses
- **Safer to use -- no blade, no cutting needed**

### Sell to all your commercial accounts:

- |                      |                             |
