

STEEL STRAPPING, KITS, AND TOOLS

Complete, self-contained steel strapping system.
Perfect for occasional or moderate users.

Steel strapping kits contain:

- 2 coils of strapping (1/2" or 3/4" x 200')
- 500 full hard, galvanized steel seals for steel coils
- Steel strap cutter
- Tensioner
- Crimper (1/2" or 3/4")
- Heavy duty, portable dispensing unit

All items also available separately except the dispensing unit.
