

# **FLAT TWINE® PRODUCT KNOWLEDGE**

## **FEATURES:**

2" x 178' or 2" x 650' roll  
Patented dispenser on every roll  
Sticks only to itself — no sticky adhesive or residue  
Roll literature — highlights benefits & applications  
Easy to apply & remove  
Trilingual packaging  
2" x 178' roll has a hook on the dispenser for easy storage

## **BENEFITS:**

Ties tighter than twine, tape, string  
Stretchability — 300% (1 small roll equals 3 large rolls of duct tape)  
No knot, no tying — one hand application  
Does not mar surface — no sticky residue  
Squeeze and rub against itself to cut-off — no knife or scissors  
Endless applications — tie, wrap, bundle, compact  
"Grows" with plants to prevent scarring  
Convenient size for tool box, suitcase, home storage, back pocket

## **APPLICATIONS:**

### **HOME**

**RECYCLING** newspapers, magazines, cardboard boxes

**STORAGE:** wrap anything for storage making it tight, dust and pest resistant, easy on, no surface marring — books, boxes, sports & camping equipment, rugs, screens, pictures, lawn chairs & cushions.

### **SCHOOL & CRAFT PROJECTS**

**HOME OFFICE** — bundle mail, boxes, computer paper

**HOLIDAY CLEAN-UP & STORAGE** — bundle wrapping paper, tie up Christmas lights, extension cords, decorations; bundle Christmas tree branches for easy storage or removal

### **GREAT STOCKING STUFFER**

### **WORKSHOP**

**PORTABLE VISE** (hold glued objects together while drying)

**BUNDLE** extension cords, hoses, tubes, or bundle tools

**WRAP** together molding or pipes

### **LAWN & GARDEN**

**BUNDLE** yard waste (twigs & sticks)

**STAKE** woody plants for growth or grafting

**BUNDLE** tools, hoses, plant stakes

**WRAP** trees for transport or disposal

**HOLD** limbs without cutting into bark

**WRAP** root bags to prevent spillage or breakage
