

FLAT TWINE®

The Simple Tool for Hundreds of Uses

Ties tighter than twine without a knot
Sticks to itself, not to your stuff

Pick any department in the store – Flat Twine® is the ALL-PURPOSE tool for bundling, wrapping, tying, compacting, unitizing, securing, & more

Moving & Storage

Close or replace boxes
Wrap pictures, books, rugs, & furniture
Attach parts, manuals, accessories to items
Bundle multiple and odd sized items together

Moving & Storage

Camping & Recreation

Bundle firewood, oars, tent poles, cushions, surf boards, racquets, skis, nets, flotation devices
Wrap sleeping bags, tents, sports equipment
Insect, rust, weather resistant

Camping & Recreation

Outdoor Clean Up

Bundle yard waste
Close seed & feed bags
Wrap cushions, umbrellas, blankets, rugs, hammocks
Unitize fencing, hoses, pipes, screens and wood
Tie up papers for recycling

Outdoor Clean Up

& More

Seasonal clean-up – wrap/bundle trees, decorations, lights, extension cords
Use as a portable vice - holds tight while glue dries – easy to remove

& More

WHY FLAT TWINE®?

Built in handle for tension & stretch control
No sticky adhesive residue left on items
Easy to apply, easy to remove
Strong, tight hold
Will not rot or disintegrate inside or outside
