Need to remove an old, rusty, dirty
Furnace... Hot Water Heater... Heat Pump... Air Conditioner

Easy as 1-2-3 with Nifty® Wrapper

- Wrap the unit completely in Nifty® Wrapper to hold in dirt, small parts, rust and grime
- Get the old unit out of the house – no muss, no fuss, no dirt, no additional clean up time

STEP 1

Wrap the unit completely

STEP 2

Take the unit through the house cleanly

STEP 3

Out of the house, down the driveway – clean disposal

FST72, Nifty® Wrapper, 20" x 1000' roll

Unique dual dispensing system on every roll

Available in 4 roll bulk pack or 9 roll floor display
